

Bistro Day

.....

Every Wednesday

Bistro day is an opportunity for locals, friends and families to come together to enjoy good value food in a relaxed informal atmosphere.

It is also an opportunity for our Chef Adrian to experiment with new dishes, ingredients and produce.

We promise that the food will be delicious and the wine as equally enjoyable served with warm hospitality and generosity.

Perfect for a family gathering, a get together with friends, or a special occasion, we are pleased to offer complimentary use of our private dining room for parties of ten or more (please book a day in advance).
